(54) Title: CONTAINER WITH SPACED APART LABEL

(57) Abstract

A product comprising a container having a body (11) defined by a container wall (12) made of a plastics material, at least part of the container wall comprising spaced apart inner (15) and outer (16) walls, a label being located on the outer surface of the outer wall, the body having an internal cavity containing a medicament content and being bounded at least in part by the inner wall. Examples of containers are described, as are examples of typical medicament contents.
